

Basso Mini Bar

UTIL

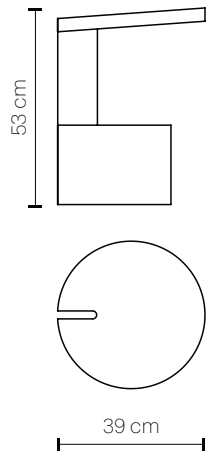

Basso is more than a mini bar. Its strong aesthetics give character and charm to any room division you may place it. It swings on four casters making it easy for it to be moved around into the middle of two chairs and a friendly conversation. Beautifully hand crafted in metal is available in three mate textured colors. The top tray has a cork mat making it extra comfortable to place anything on it. While bottom bucket functions as an open container making it easy to store anything from bottles to magazines. The mini bar Basso is above all a furniture piece full of character to help you style and work your home the best way you see it.
